INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir:

The Applicant, through its representatives and attorneys, hereby brings to the attention of the examiner the eight Japanese language documents and the translations identified on the accompanying Form PTO-1449. Copies are provided. This submission is timely in that it is made prior to a first action on the merits of this application.

This will also certify that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Specifically, these documents were cited in a Japanese Office Action dated July 3, 2006. The Action is in Japanese and a translation is not readily available. It appears from the Action, however, that documents 2002-171466 and 10-191255 were considered more relevant to the pending claims than the remaining documents.

Their citation in an action in a corresponding Japanese application is considered to show their perceived relevance.

Please take these documents into account in the initial examination of this application together with the information at pages 1 to 3 of the specification as filed.

Dated: October 3, 2006

Customer No. 23353

Respectfully submitted,

By _____
